

BRENTWOOD

Post Acute

Are you a Certified Nurses Assistant?

**Are you warm and friendly?
Would you like to work with elderly clients to
enhance the quality of their lives?**

Brentwood Post Acute and Rehab Center is certified by Medicare and Medicaid to provide 24 hour skilled nursing care. Our post acute services manage the medical and therapy needs of residents, bridging the gap between the hospital and home.

We provide patient-centered care with timely and effective comprehensive services. Our goal is to treat the whole resident and his or her individual needs, helping them to achieve the highest possible level of function, independence, and safety.

**All shifts available.
Must be currently certified in California.
Must be available to work weekends and holidays.
Wage: DOE**

**Deadline to Apply:
Open Until Filled**
