Volt Workforce Solutions is hiring for
Johns Manville in Willows, CA!

**Student Program Packaging
Operator - \$16.50/HR**

This job involves operating packaging equipment, performing quality control inspections, and problem-solving to ensure the safe and smooth operation of equipment, product, and the worker.

- Fiberglass product is compressed by machine, wrapped in polyurethane and shipped by bale loads fastened with plastic strapping.
- The appropriate pace of work and extreme attention to job training and worker safety results in an efficient operation with a low incident of job-related injury.
- Work pace is considered low and employees have no difficulty maintaining the pace as frequent pauses occur between products on the conveyor belts.

POSITION REQUIREMENTS:

- Applicants must be at least 18 years of age.
- Candidates must be able to pass a drug test, criminal background check and pulmonary function assessment
- Part-time rotating, 12-hour shifts.
- Be enrolled in a minimum of 12 units during academic school year
- Must be able to lift up to 20 pounds repeatedly and up to 50 pounds occasionally.
- Workers utilize personal protective equipment consisting of steel-toe boots, eyewear, hearing protection, hard hats, and face masks.
